

Stories of the New Testament

A Sinful Woman Anoints Jesus' Feet

GOAL- Lifegroups are an environment to grow closer to Jesus and each other. We work toward this by focusing on the stories of the Bible, discussing them and applying them to our lives. How do these teachings apply today?

REMINDER- Enjoy time visiting with each other, eating etc. After time simply connecting, and hanging out, please intentionally follow these steps created to promote and strengthen our relationship with Jesus.

Step 1- Welcome- Celebrate successes, breakthroughs, service projects, decisions for Christ etc.

Step 2- Opening Prayer

Step 3- Lifegroup Purpose/ Vision Casting- Each week we want to establish where we are within the story, where is Jesus and where we need to be as a result of this understanding. We are meeting together because we love Jesus, each other and we are creating disciples who will be able to create disciples.

Step 4- Review the Lifegroup Guidelines (Back Page)

Step 5- Reflection/Accountability- What stuck with you during the last week(s) from our last meeting and the scripture that we covered? How did you apply that scripture to your everyday life?

Step 6- Preparing Our Heart to Experience a Lifegroup- Ask everyone to stay personally engaged throughout the story. Ask them to focus on how they relate to it and why. Encourage everyone to share from their hearts, to be transparent and authentic. Every person will share.

Step 7- Setting the Scene for a Sinful Woman Anoints Jesus' Feet (Luke 7:36-50)

LEADERS, READ THIS- As a non-Jew recording the words and works of Jesus' life, Luke demonstrates a special sensitivity to other "outsiders" with whom Jesus came into contact. For instance, Luke records five events involving women that are not mentioned in other gospels. In first century Jewish culture, women were usually treated as second class citizens with few of the rights men had. But Jesus crossed those barriers. He showed special care for women and treated all people with equal respect. This story reflects this beautifully. In this time, it was customary to recline while eating, propping yourself up on an elbow and stretching your feet behind you.

As you listen, immerse yourself in the story and be thinking of the questions you will be answering afterward...

Currently, in this season of your life..... Who or What do you personally identify with and why?

Step 8- Telling the Story from Memory- Either yourself or someone else in the group tells the story from memory. You can ask someone ahead of time to be prepared to do this. After they finish telling the story, ask the group if anything was left out in the telling of scripture? Was anything added that didn't belong?

Step 9- Rebuild the Story- Read the story from the Word as a group (Luke 7:36-50).

Step 10- Debrief the Story- Everyone participates and answers the question; Currently, in this season of your life, **Who or What do you identify with and why? How can YOU respond in the next week(s)?**

LEADERS, READ THIS-

Are you Simon? Have you invited Jesus in, but question things regarding Him in your heart and mind? He neglected to wash his feet, anoint his head with oil or offer the customary kiss of greeting. Was he not “bought in”? Did he consider himself better?

Are you the immoral woman? She was in desperate need of Jesus. She wasn't invited to the party, but she snuck in and took the opportunity to lay her life at Jesus' feet. She lavished tears, expensive perfume and kisses on Jesus. His presence brought her to repentance and she was saved by faith.

Have you been forgiven a large debt? Have you been forgiven many sins and as a result, love big?

Have you been forgiven a small debt? Have you been forgiven few sins or small sins and love smaller?

Are you the men at the table? They were talking amongst themselves, complaining, gossiping, agitating. Do you do this in regard to the church, pastors, or people in the church?

Further Study- What is the Point? How do we need to Respond?

1. Are there levels of sin? , Proverbs 6:16-19, Hebrews 10:26, Matthew 12:31-32, 1 Corinthians 6:18

2. Are we sinners? 1 John 1:8-10, Romans 3:10-12 and 23-24

3. All sin separates us from God. 1 Corinthians 15:17-18, Isaiah 59:2, Micah 3:4, Exodus 32:33

4. Jesus is the only way to the Father. John 14:6, 1 John 1:9, Titus 2:14, Isaiah 1:18

Discuss These Scriptures Together.

Step 11- Close in Prayer

LIFEGROUPS GUIDELINES- Please use these guidelines while you meet to ensure a safe growing environment. The leader ensures throughout the group meeting that these guidelines are met. If you have a member that needs more personalized attention, set up an appointment outside of group time.

- **Safe Environment-** This needs to be a place where people feel comfortable opening and sharing with one another. Below are some Lifegroup guidelines that will help to create a safe environment.
- **Confidentiality-** What is said at group, stays at group.
- **Listen-** Let's value one another during the discussions by really listening to what is being shared. Try to avoid thinking about how you will respond or what you are going to say next.
- **Pause-** Allow a pause in conversation after someone shares. Give the person sharing a chance to finish and the group the opportunity to consider what was just shared before responding.
- **Silence-** It is important to allow silence in the group as it provides an opportunity for someone to share and members of the group to process the topic or question being considered.
- **No "Cross Talk"-** Be considerate of others as they are sharing- no side conversations.
- **No Fixing-** We are not here to fix each other. Jesus does that part. Give encouragement, speak truth, point to Jesus. Don't try to solve or fix each other.
- **No Rescuing-** When people are sharing something deeply personal, there can be a tendency to try to make them feel better about themselves or the situation by providing immediate condolences. This will often cause them to stop sharing. Resist the temptation to rescue people. **Point people to Jesus.**
- **Sharing-** Be sensitive about the amount of time that you share, both under sharing and oversharing.
- **Be Self Aware-** Be self-aware of how you are personally affecting the environment through your words, actions and nonverbal communication.

- **“I” Statements-** It is easy to talk about the issues of others, but for our purposes, we want you to put yourself on the table. Try to use “I” statements rather than “them”, “the church”, “us”, “we”, etc.
- **Conflict-** We will commit to resolve conflict biblically. When conflict or sin issues between group members arise, we want to make sure that we are honoring God and each other in the way we deal with these issues. The following are a few key scriptures in this regard (there are many others).
