“I Will Rescue You!” – God

Though we are all different on the outside, we share a similar inside. There is a common desire in the deepest part of us that yearns to be loved. We want to feel valued, cared for, heard, seen, respected, and loved! Unfortunately, many of us look for love in all the wrong places, which makes us feel empty, hurt, lonely, frustrated, and maybe even full of regret. Have you ever you longed for someone to fully love and fully understand you, even when you didn't understand yourself? Have you ever wanted someone to just swoop in and RESCUE you? Well, you are in the right place!

In this workshop Erica will:

- *Help you understand how God sees you and how much you are loved by Him.
- *Equip you to partner with God each day and boldly face anything life may hand you
- *Show you how to improve every relationship in your life.
- *Lead you to understand how to find the kind of love you are looking for
