

DISCUSSION GUIDE - Losing My Religion - Finding Communion

1. Icebreaker- Have you been at a church where they practiced or took communion differently than we do at The Village? What was that like?

2. Read Acts 2:42 Do you take communion outside of church services? If so, share about that with the group.

3. How would you explain Communion's connection with Passover to someone who never knew they were connected?

4. Read 1 Corinthians 11:23-26. What is your personal process in taking communion each week? How does it line up with this scripture?

5. Read 1 Corinthians 11:27-29. What are some of our motives in taking communion in an unworthy manner (out of habit etc).

6. During communion on Sundays, we emphasize that anyone who has accepted Jesus as Lord is invited to take communion. What is the importance of inviting believers and not non-believers?

7. Application- Take Communion together as a group.

8. Application- Put scripture on a card and meditate on that next time you take communion (Romans 3:21-25 or another of your choosing).
