

## At The Movies – Toy Story

### Ice Breaker:

How has your faith grown in the past five years? Has God surprised you?

### Read:

Colossians 3:23

Share about the worst job you've ever had. How was your attitude through that time in life?

### Discussion:

1. How does this text frame the way that we work or the attitude that we work with?

### Read John 1:35-45

2. What made these early followers of Jesus want to go and share with their family who they had found?
3. What qualified these young men who had just met Jesus to tell others of their experience?
4. What are the barriers you face when it comes to telling others about Jesus? Do you think the disciples knew as much about Jesus in that moment as you do right now?

### Read John 1:46

5. What would your "come and see" invitation look like to your friends, family, neighbor or co-worker?
6. When have you seen a selfless group of people accomplish more than the sum of their parts? Have you ever been a part of a group like that?

### Application:

Make a commitment to one another to have a "come and see" conversation. What does that look like in your life this week?

Grab an invitation from the New Invitation board at your campus and actually invite someone to come and here what Jesus has done!

Close in Prayer for one another to have courage to do what Jesus has commissioned us to do!
