

Uncomplicated Love: Called to Your Birthright

Ice Breaker:

Have you ever been a part of a great team? What made everyone feel so close?

Scripture:

Read 1 John 3:1-3 Out Loud

Questions:

Family comes in many different forms. Some families grow by having many children and cousins. But some families have no blood relation at all. John says we have been called “children of God.” But what does he mean when he says “the world does not know us is because it did not know him”?

What do people look like who are born of God? What is it that you can see differently in someone who has had their life changed by Jesus?

We have a hope of one day being just like Jesus and we know that He has started that work in us here on earth. How have you changed as a result of following Jesus?

Read 1 John 3:11-20

Cain was jealous of his brother and murdered him because of it! How have you let your heart be misled and acted like someone who didn't know Jesus?

How does John define love in vs. 16-18?

Read vs 18 again as a group. How could you take action in truth this week and like someone who is a child of God? Make a plan and hold one another to each do something! Maybe it is calling someone and making amends. Maybe it's time to say sorry or clear the air. Maybe you could schedule time to serve with the right heart and attitude!
