

Be the Light Week 2 Invite Boldly: Read Luke 14:15-24

How would you feel if you were one of the “poor, crippled, blind, and lame”?

Why do you think the master insists on having his house filled, even going to the streets and alleys to invite the poor, crippled, blind, and lame?

How does this reveal God’s heart for the marginalized, the forgotten, or those on the fringes of society?

How can we, as followers of Jesus, embody this same open heartedness in our lives and ministries?

Who can you extend an invitation to this week? Pray for the opportunity to invite them.

Action Step: Invite those who are on your heart to church or life group.
