

## **God Only Knows Week 1: Read John 11:25-26**

### **Icebreaker**

Share about a time when you felt hopeless. How did you find hope?

### **Discuss**

Why was Jesus “glad” that he didn’t make it to Bethany before Lazarus died? (John 11:11-15)

Why do you think Jesus wept at Lazarus’ tomb? How does He comfort the hopeless in this story?

If you are comfortable, share about a time you were hopeless and someone comforted you. How did they comfort you? What was so impactful about their comfort?

What areas of your life do you feel hopelessness? How can you find resurrection in those areas?

Have you given your entire life to resurrection through Jesus? If not, what is holding you back? If so, how does your life reflect the resurrection to others?

### **Action Step:**

If you have not been baptized have a conversation about it. If you have been baptized share your story with someone who needs it.
